

**Name;** James McIntyre

**How did you end up playing at Diamond Valley?** I live nearby – luckily for me the option of wearing a Magpies jumper was less offensive than playing for the Greensborough slime.

**What do you like most about the club?** Definitely the people.

**Do you have a pre / post game ritual ?**

The usual tap on my wife's shoulder in the morning (without success) - nothing else of note.

**3 famous people you'd invite to dinner and why?** Doug Hawkins, Chris Grant, Brad Johnson – we could reminisce about what could have been in all those losing prelim finals (1985, 92, 97, 98, 2008-2010).

**First pet you owned - name;** Chips (dog)

**First street name that you lived in?** Kiers Crt

**Where do you see yourself in 10-15 years?.** Retired from work (dreaming!!), still going "strong" on field (Over 52's??)

**Most embarrassing moment in football. Doesn't have to be on the field either?** A team thing: a year or so ago, we failed a head count called by Ascot Vale, then no more than a couple of minutes later another one was called and we failed that also. Good times!!!
